

Big Data na Politechnice Krakowskiej

How to apply R to real-life business problems Meeting with MCKinsey & Company

McKinsey Knowledge Center invites you to join us to learn how R and advanced analytics can make great impact in real business cases.

Come and learn more about:

- How McKinsey Analysts use R to drive modern advanced modeling and analytics projects,
- Mathematical methods to find the best solutions for business problems,
- Career opportunities with McKinsey in Wrocław.

After our session, we invite you to stay for a casual Q&A discussion with our team members.

Czas: 18:30 – 20:00, czwartek(18.02.2016)

Miejsce: sala 101, Instytut Fizyki Politechniki Krakowskiej,
ul. Podchorążych 1
